

Adirondack Wool & Arts Sheep Show
Sheep Show - Saturday September 19, 2026 @ 10:30 am

Fleece Show Information

The introduction of the Fleece Show will provide regional sheep producers and exhibitors a pleasant, brief venue to display their farms and animals to an interested public. It will give festival-goers who “wear the wool” an education regarding “where the wool” comes from. We hope to promote the wool breeds of sheep and welcome all those interested in the wool and fiber industry. **We resolve to keep the exhibits as neat as possible for festival-goers.**

The show committee and the fair board have agreed that to provide safety for all humans and animals, this show will use NYS Ag. & Markets health requirements for the county and state fairs. Therefore, all animals must be accompanied by a current Certificate of Veterinary Inspection (CVI) and physically checked by a certified veterinarian after arrival. We will be using the following protocol:

1. All animals are invited to stay the whole weekend to help educate the public about the Fiber Animal Industry; however, animals may be trucked in for the show.
2. Animals that are trucking in and out for the show must be in place by 10:00 am on Show Day and must stay until the Festival closes.
3. Pens will be assigned. All animals must be accompanied by a CVI and registration papers on arrival. The CVI must be current
 - a. Animals may be unloaded upon arrival to assigned pens and will be checked in by the show superintendent asap. Any animal not accompanied by a CVI or exhibiting signs of contagious disease may be asked to leave upon the veterinarian's decision.
 - b. All sheep and goats must be identified by official USDA Scrapie ID and registration papers.
 - c. **All sheep and goats must have Rabies Vaccination (all animals over 4 months of age). Vaccination must have been administered no less than 14 days prior to this show and not more than 365 days before this show. (The last day to administer the Rabies vaccination is Sept. 6, 2026).**
 - d. All out-of-state animals must be accompanied by a current interstate CVI and registration papers. All out-of-state sheep and goats must also have had a Rabies Vaccination as stated above.
3. All animals must be owned by the exhibitor.
4. The exhibitor is responsible for entering their animals in the correct classes. Changes **will not be made** from one class to another.
5. Substitutions will be allowed only within the class entered. Substitutions must be made no later than the time of arrival.
6. Exhibitors will provide their own bedding, feed, and supplies.
7. Exhibitors will wear the provided Exhibitor numbers throughout the show.
8. Exhibitor Passes 2 per farm (children under 13). Please contact the fair office if more are needed. Sheep Show exhibitor parking will be near the Ag. Center Building in a designated area.
9. No vehicles will be allowed to enter or exit the gates between 10 am and 5 pm.
10. The Entrance for animal trailers will be at Gate C. Pens are located in Pole Barns #2 and #3.
11. The show ring will be in the Picnic Pavilion.
10. There will be an exhibitor's meeting immediately following the show. Congratulations, comments, and suggestions are welcome.

Special Awards are as follows:

- Champion White Ram
- Champion White Ewe
- Champion Natural Color Ram
- Champion Natural Colored Ewe
- Best of Show Sheep

The Fiber Goat Show Superintendent is CODY SURGEN (518) 948-3583. PLEASE CONTACT CODY WITH QUESTIONS ABOUT THE FIBER GOAT SHOW.
